

NEWSLETTER 04/2011

Dear Customers,

We are proud to introduce our newest product:

the psa.gt (paddock stand adapter)

As you would expect from gilles.tooling our R&D department was able to integrate some innovations in even such a small and simple product like a paddock stand adapter. The psa.gt is the only adapter with an integrated rolling spool to ease bike lifting. Please take attention to the attached product presentation to find out what else the psa.gt is offering.

The psa.gt is already available for M6 and M8
